

Free Pet Trails in Your Metro Parks

Thirteen Metro Parks have pet friendly trails for dogs and cats. Leashed pets are also allowed along park roadways and in picnic areas. They must be on a leash at all times except in those parks with designated off-leash areas. You must pick up after your pet and dispose of the waste. Visit www.metro-parks.net to download maps and directions and find out about free programs for you and your pet—or follow us on Facebook and Twitter.
