THE EXHIBITION

- Metro Parks at the MAC is an exhibition of photographs taken at any time within the past three years in any of the 19 Columbus and Franklin County Metro Parks. (See metroparks.net for all parks information).
- A total of 40 photographs will be selected for exhibition in the McConnell Arts Center's main gallery.
- The exhibition will run from March 22 to May 20, 2018.
- The opening night reception will be on Thursday March 22, 2018 from 6 to 7:30pm.

SUBMITTING PHOTOS

- Photographers can submit their photos digitally, for jurying. Use Metro Parks' secure Google site at tiny.cc/mp-mac to submit a maximum of two photographs for the jurying portion of the exhibition.
- We welcome two photographs, but they will have to be submitted on separate forms on the system. An automatic email acknowledgement will confirm that your photograph/s has/have been received and are available for jurying.

The deadline for submitting your photos digitally is Sunday December 3, 2017 (end of day).

INFORMATION REQUIRED (to be used for gallery labels)

- When submitting your works, we will ask you to supply your first and last name, your email address, the title of your work/s, and the name of the Metro Park or parks in which your photograph/s was/were taken. We will also ask you to include a Sale Price for the work/s.
- All work in the exhibition will be for sale. The McConnell Arts Center takes 40 percent sale commission. Your sale price, minus the 40 percent commission, will be considered the insurance value of the work.

JURYING

- In late December, a jury composed of two people from Metro Parks and one person from the McConnell Arts Center will review all of the photographs submitted and will select 40 photographs for the main gallery exhibition.

(Note that works not selected for the main exhibition will be displayed digitally via metroparks.net and by the McConnell Arts Center.)

- Photographers will be notified of their successful acceptance into the main exhibition early in January 2018.
- At that time, photographers must confirm they intend to submit a framed print of the selected work/s for exhibition.
- The photographs must be framed and wire ready for installation. Frame sizes are at photographer's discretion.
