¹Payments against carryover purchase orders from 2018 are charged against the 2018 budget. These amounts are not included in the program detail for 2019 YTD Actual, but are reported separately as "Prior Year Expenditure."

²Expenditures are reported by category in this report. Each category appears under only one fund, e.g. "Administration" appears only under "Operating Expenses,", which is Fund 27 and "Site Improvements" appears only under "Capital Improvements.", which is Fund 29. However, in a small number of instances, purchases have been made from each fund under a category listed under the other fund. The net effect of these purchases causes Operations Expenses to be overstated by a small amount (est. to be less than \$500 for 2019) and Capital Improvements/Land Acquisition to be understated by the same amount. Exact amounts will be provided throughout the year.

³Current month actual expenditures may differ from the disbursement resolution because of accounting adjustments for voided checks and refunds.
