

Spring Forest Scavenger Hunt

Glacier Ridge Metro Park

Remember: Take only memories (or pictures), leave only footprints

1. Something that lives in the leaves, soil, or under logs and rocks (millipedes, insects, salamanders, etc)
2. Tree with flaky bark (Shagbark Hickory)
3. Something you can find only in a forest
4. Poison ivy (Leaves of three let it be, hairy vine no friend of mine!)
5. Buds on a tree or a bush
6. Something that moves faster than you can
7. Fungus growing on a dead log
8. Wildflower
9. An example of camouflage
10. Bird or squirrel nest in a tree
11. Two different kinds of leaves
12. An animal's home
13. Something an animal needs to survive
14. An animal track
15. Two different kinds of bark
