

2026 METRO PARKS GEO TRAIL

Jump back in time and learn about our Parks while you visit them to complete the 2026 Metro Parks GeoTrail and be a part of our “Time Travelers” theme.

We invite you to participate in this year’s Geocache hunt that includes a variety of cache types and difficulty levels while learning about invasive species. The first 125 teams to find any 15 GeoTrail caches are eligible to receive a special edition Metro Parks Geocoin. If you find all 17 GeoTrail caches, you can solve the puzzle and unlock the coordinates for the Bonus Cache (GCBPXVK).
